

igris::schema::schema_node

```
graph BT; dict[igris::schema::dict] --> schema_node[igris::schema::schema_node];
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'igris::schema::dict' with a light gray background. A blue arrow points vertically upwards from this box to a box labeled 'igris::schema::schema_node' at the top, which has a white background. This indicates that 'igris::schema::dict' inherits from or is a specialization of 'igris::schema::schema_node'.
